

PAASD Professional Development Scholarship Application

The PAASD Professional Development Scholarship was created to help assist our current PAASD Members in advancing their professional careers by:

- 1) Upgrading their license / certificate,
- 2) Acquiring a professional appraiser designation(s) (SRA, MAI, ARA, etc)
- 3) Taking post-designation appraisal course(s),
- 4) Taking college courses required for a license / certificate upgrade.

The PAASD Professional Development Scholarship is for qualifying education (QE) courses, post-designation courses and college courses required for a license upgrade and all courses must include a test(s) and the applicant must participate in the testing process.

To qualify for the scholarship, one must be an appraiser in good standings with the South Dakota state regulatory board(s) and a current member of PAASD for a minimum of two years or more.

All applications will be reviewed by the PAASD Scholarship Committee to confirm their compliance with the scholarship requirements and four \$500 PAASD Professional Development Scholarships will be awarded by a *random drawing* at the **2017 Annual Meeting in Chamberlain** from all the applications meeting the criteria.

To continue eligibility for the PAASD Professional Development Scholarship, one must meet the prior qualifications listed and pass the course test for which the scholarship was awarded.

All PAASD Professional Development Scholarships will be paid out upon receiving verification of course completion for the course on the application and the scholarship must be used within an eighteen month period after it is awarded.

Scholarship recipients grant PAASD the right to use their name and information from this application in order to profile them in marketing materials and/or other publicity.
